OBJECTIVE

Seeking an opportunity to work as a Creative web designer where I can effectively utilize my graphic and web designing skills towards the growth and development of the organization.

EXPERIENCE

Taly Design and Marketing, Duluth MN

2012 - 2014

- Developed and designed new web interfaces, layouts and site graphics.
- Created and maintained database driven websites.
- Designed and constructed e-commerce websites.
- Implemented GeoTracking and SEO into several websites.
- Used excellent communication skills in tandem with an extensive technical knowledge to help resolve problems for clients.
- Coordinated Quality Assurance procedures including testing and debugging of code.

Freelance Work

1999- present

- Developed several websites for businesses/organizations including St. Mark's Episcopal Church, Trygar Transportation and the beloved PBS show, Venture North.
- Developed a very popular website for a modern day MMO game that receives thousands of hits called "Living in Wildstar".
- Developed several websites for personal use including several database driven websites.
